LET'S GET THE party started

Alright, the most magical season of the year strikes again! The time when companies ask themselves "how will we remember this year"? The year of hard work, challenges and victories! One thing is for sure; it is time to celebrate and end this year with a bang...

At Leonardo Hotels we are all about creating unforgettable moments. Will you celebrate this year with a cozy gathering while enjoying your favorite cocktail(s) or rather opt for a funky theme party like the retro eighties, a masquerade party or an ugly Christmas sweater party? In case you decide to go all out this year, our venues in the Netherlands and Belgium offer the possibility to organize galas in the ultimate glamour style or spectacular parties where you will dance the night away! Whatever choice you make, our team of event planners makes sure to take care of your event from A to Z with an eye for detail but especially for your individual wishes!

TASTE THE MAGIC of the season

This season is the perfect time to look back on the past year together with your colleagues. And what better way to reflect than while enjoying a nice dinner in one of our restaurants? From an extensive 6-course menu prepared by the culinary masters of The Harbour Club to a touch of French flair in the Living Room by Bodon. Rather going on a culinary adventure with small shared-dining dishes from all over the world? Then LEO's is the perfect location. Also join us for a delicious and cozy winter BBQ including glühwein at Chef's! Food & Drinks for that real magical winter feeling.

FROSTY GAMES and winter fun

Last but not least, at Leonardo Hotels we love to treat our guests to an old-school dose of winter fun! Imagine yourself in a true winter wonderland on one of our rooftops while gathering around the fire pits with a cup of hot chocolate. Prefer something more active? Challenge your friends or colleagues to an exciting game of curling or take part in our creative ice sculpting workshops!
